

Racing Flow™ News

- **THURSDAY's** \$5 Gets All Upgrades & Downgrades Report offered Flow players 23 upgrades over 16 races at 4 tracks. When the dust settled, a total of 6 '*upgrades only*' daily double wagers, \$12, netted \$96 on two winning 1x1 combinations. Overall, there were 6 winners. In the 8th at CD, our three upgrades ran second, third, and fourth powering a robust dime superfecta for those that got inventive.

- **Cetara (\$40.20)**, one of just four upgrades over *Belmont's nine race Wednesday card*, won a three horse whacker in the 9th as that event's lone upgrade. Really ? You can't be serious, I mean, who else does this routinely ?

- Saturday's Report results were not as hoped, but considering the enormity of the Friday ROI, a bounce of some degree was statistically likely. While there were a few winners spread about, it was not a good day to have been overly aggressive, but then again the 'day after' rarely is. However, Sunday's Report proved explosive in its own right, quickly putting Saturday losses well in the rear view. The upgrades from winning results for Sunday, June 10, 2018 are below.

BELMONT

5) **5 True Timber (\$17.20)**
3 Patternrecognition (2nd), **Ex = \$50.00**

* *There were three upgrades on the entire card, with a lone failure in the last.*

SANTA ANITA

1) **1 Home Run Kitten (\$9.60)**
3 Jan's Reserve (2nd), **Ex \$46.80**

4) **12 General Mach Four (\$12.60)** lone upgrade

8) **6 Draft Pick (\$10.20)** lone upgrade

9) **19 Dulce Ride (\$17.40)** lone upgrade

*** Daily Double \$101.00**

** The results at Churchill, 1 win from 10, and AP 1 win from 4, were less fruitful, but consistent wagering patterns combined with results like the above will prove profitable.*

—

The late P3 at Churchill on Friday proved to be wildly profitable for Flow players. All the upgrades from races with winning results are below.

Race 7

7 Tizabreeze (\$12.80)

Race 8

9 Trueamericanbeauty (\$76.80)

3 She'sappealing (3rd)

Race 9

2 Valiant Lady (\$5.40)

The Gimmicks:

* Race 7 - \$2 DD \$449.80

* Race 8 - \$2 DD \$124.40

* Race 7 - \$1 P3 \$624.10

Boom worthy, that

- The Friday Belmont card featured just two upgrades, both of which were in the 7th race. One of the them, **Secret Passage (\$84.50)**, a '**Neutral or Better Winner**' last out for Flow players at 20-1, came from last to first with a long sustained run to get up in the final strides.

-The Saturday *Upgrades & Downgrades Report* presented Flow players with 30 upgrades over 22 races at 4 tracks. When it was over, 5 winners returned ~\$90 in win mutual. The highlights, **Don't Tell Marge (\$28.60)**, the lone upgrade in CD's 5th and **Vending Machine (\$28.40)**, who took the last at SA as one of two.

* Sunday's Keeneland upgrades went 4 for 10 including a 1x1 double cash in the fourth and a two horse exacta box hit in the ninth.

The next two days of the meet look solid with the Thursday card featuring two bolds from a total of five upgrades over five races. The getaway card is less appealing, with just four upgrades over three races.

* Belmont opens Friday with eight upgrades over five races, and a bold loner.

* HAWTHORNE upgrades are streaking, and at big prices. Wednesday's six over four cashed **Expect Elprada (\$20.60)** in the 2nd and **Ptaha (\$14.20)** in the 4th. On Thursday, loner **Sun Brown (\$53.40)** stormed home from last to first to easily carry our day.

* The '*upgrades only*' late **P4** at GULFSTREAM on Saturday cost players \$8 on a 1x2x4x2 wager. It returned **\$394.00. Now that is a Boom !**

Racing Flow™ News

* AQUEDUCT upgrade Wicked Macho recorded a '**vs Zip Win**' in wiring the field despite a *Closer favoring CFR* in Saturday's 9th. The water gets deeper now, but the odds will likely require a win bet in each of the next two.

* SANTA ANITA winner Prince of Arabia stunned all but Flow players with a '**Neutral or Better Win**' in the Friday's 7th. Despite the expected drop off in odds, he will likely remain win bet worthy.

* FAIR GROUND's last race of the week produced a *Closer favoring CFR*. Let's downgrade the '**w/ Zip Winner**' Whojoey and upgrade those runners that were on or near the pace at the first two calls.

* In a strangely run renewal of the Louisiana Derby, **Noble Indy** became our first upgrade to qualify for the Kentucky Derby by recording a '**vs Zip Win**' in the Closer favoring event. Move lone upgrade Lone Sailor back to 'neutral', while My Boy Jack receives a downgrade.

* OAKLAWN upgrade Roberto Gato took full benefit of a *Closer favoring CFR* in taking the 7th on Saturday. We'll reduce this '**w/ Zip Winner**' to 'neutral' while giving upgrades to the leader, pressers, and early movers.

* Saturday's Report produced Oaklawn winners **After Hours (\$45.00)** and **Minefield (\$38.00)**, as well as **Infuriated Gary (\$28.20)** at Santa Anita. Each was one of two in their respective races.

Racing Flow™ News

* The late **Daily Double** on Friday at Santa Anita presented a *1x2 'upgrades only'* wager. That \$4 investment returned **\$218.00** when **Studly Perfection (\$3.20)** closed out the gimmick started by lone upgrade **Prince of Arabia (\$73.00)** in the 7th.

* Lone upgrade **Memphisinmay (\$23.80)** stopped a three day scuffle in taking Oaklawn's 5th on Friday.

* Saturday Recap

- AQUEDUCT had just two singles, one of which was **Wicked Macho (\$13.00)** in the 9th.

- FAIR GROUNDS players cashed **Sully's Dream (\$21.80)** as one of two in the 5th. Place finishers *Hollywood Handsome (\$7.40p)* and *Lone Sailor (\$7.80)* keyed a pair of useful exactas. In the finale, lone upgrade *War Dude (3rd, 42-1)* may have been second best if not for bouncing off the rail near the 1/16th. Unfortunate, that.

- OAKLAWN grades started with loner **Orbelina (\$29.20)** in the opener. In the 7th, **Roberto Gato (\$16.20)** stormed home as one of two.

* A slight Sunday report was highlighted by winning loners **Aikenetta (\$7.40)**, and **Telling You Twice (\$11.60)**, while a pair of 22-1 runner-ups produced place prices of \$9.60 and \$14.00.

* Bold scuffled this week, netting a four-unit loss.

Racing Flow™ News

* Three worth monitoring out of GULFSTREAM's 11th on Saturday, a *Closer favoring CFR 93* event: *Promete, Where's the Cat, and Cotton Colors.*

* FAIR GROUNDS turf routes this week produced just one wire to wire winner from eight chances following a two month stretch at 28%. The lone success came from High Moon with help from a *Speed favoring CFR*. We'll give credit to all those that chased from a length or more behind at the first call.

* OAKLAWN players have good reason to follow failed leaders, pressers, and early movers positioned in front of the eventual race winners from races two, three, four, seven, and nine on Sunday. The fifth was no picnic either while falling outside the cut.

Racing Flow™ News

* Thursday's 1x3 *upgrades only late daily double* at **Santa Anita** produced the **\$180.40** gimmick as well as the **\$63.60** exacta in the eighth. **Trapalanda (\$17.80)** was upgraded, rather brilliantly I might add, for a '**vs Zip**' win despite being just off the pace in its last.

* **Bold upgrades** were 1 for 3 on Saturday, with **Accelerate (\$7.00)** closing out a **\$59.40 Daily Double** that began with lone upgrade winner **Rocky's Show (\$14.80)** in the 9th.

* **King Bandit (\$18.00)**, one of two Sunday **bolds**, powered the **\$76.00 upgrades only exacta** in Saturday's 6th at the Fair Grounds.

* **Princess Kendra (\$36.20)**, a failed bold last out in a neutral CFR event and thus a '**Bold minus One**' qualifier, took Santa Anita's 6th on Sunday as that event's lone upgrade.

Racing Flow™ News

* Racing Flow™ **Bold Upgrades** went 4 for 10 over the weekend, with one robust runner-up.

Double Touch (\$25.00)

Brave John (\$3.80)

Crafty Jack, 2nd (\$15.80p)

Economic Model (\$12.20)

Roses in the South (\$25.00)

Ladrona (\$9.60)

~~* The Friday, Saturday, and Sunday Upgrades & Downgrade Reports are all posted below for review. Remember, since we put figures on races and not horses, there is plenty of useful information to be found.~~

* **Big E** simply ran them off their feet in the FAIR GROUNDS 6th on Thursday. This '**vs Zip Winner**' bears watching over next two months plus, or two races.

* OAKLAWN's sloppy, sealed track on Friday produced race Flows and results indicating a **severely Speed Biased** surface.

* It does not take a rocket surgeon to realize that turf races run with an opening half mile of :50 and a second half mile in :46 might be exceptionally difficult on all those that chased the wire to wire winner. Gulfstream's 4th on Saturday was one such race.

* Of the five bold upgrades listed above, only the last three will retain their lofty status when next seen.

* Lone upgrade **Fault (\$26.20)** started a 1x2 Daily Double in Saturday's 7th at Santa Anita. **Horse Greedy (\$82.00)** finished it. The two-race exotic returned **\$1,390.00**.

* The **Risen Star** produced a '*neutral*' CFR 51. There was No Bias on the day.

* **Tonedaddy (\$22.60)** took Gulfstream's 8th on Thursday as that event's lone upgrade. Today's hero had little chance chasing an ***Xtreme for Speed*** in his last on the turf.

* Fair Grounds Flow on Thursday has produced **Havinfunyet (\$10.40)**, **Big E (\$9.80)**, and **Song of Spring (\$19.60)**. The 2x2 **DD** returned **\$155.40**.

Racing Flow™ News

* **Demands Attention (\$20.40)** took Fair Grounds 3rd on Fat Tuesday as one of two upgrades.

* Visually impressive **San Vincente** winner **Kanthaka** was aided by a *strong Closers CFR*. His price will plummet while stretching out in distance. The victory did bring to mind *Hear the Ghost's* 2013 win in the *Closer favoring* San Pedro. That one promptly won the 8.5f San Felipe.

* **2017 Bold** upgrades produced a **Win ROI of ~\$2.05**

* *Conquest Windycity*, a long time personal favorite, needed every bit of the ***Xtreme Race for Speed*** to hold of 'Biscuits' at Gulfstream on Friday.

* *Fascillitator* took Oaklawn's 7th on Sunday with help from a *Closer favoring CFR* that was one-part surface and three parts Flow.

* Lone upgrade **Fault (\$26.20)** started a 1x2 Daily Double in Saturday's 7th at SANTA ANITA. **Horse Greedy (\$82.00)** finished it. The two-race exotic returned **\$1,390.00**.

Racing Flow™ News

* Gulfstream's three upgrades on Wednesday tabbed a **\$36.40 Daily Double** in Race 6 on a pair of singles.

* Fair Grounds' Sunday Report netted a **\$32.00** 'upgrades only' two horse **exacta box** featuring a bold runner-up.

* Oaklawn flow opened the Sunday card with lone upgrade **Surprise Prize (\$25.60)**

* Friday's two horse *upgrades only* exacta in OP's 7th netted **\$54.80**.

* Saturday's card at Gulfstream produced upgrade winners

- **Changing Leads (\$11.00)** as a lone upgrade
- **Variant Perception (\$8.60)** as one of two in the 7th
- **Machismo (\$18.00)** as one of two in the 8th
- The **\$76.80 Daily Double** on the 2x2 wager was reasonable

* Saturday flow at Santa Anita produced **bold** upgrade winner **Accelerate (\$9.40)** in the 8th as well as the **\$96.00 exacta** using three upgrades for second.

* Oaklawn players cashed **Wilbo (\$10.00)** as the lone upgrade.

* The **Holy Bull** came back a 'neutral' CFR.

* The Santa Anita main track played friendly to speed all week, but by no means enough to carry race results without help of a Speed favoring Flow.

* The **Withers** was run over a surface that was importantly Speed Biased. However, the Closer favoring race Flow more than offset, resulting in a **CFR** that was kind to off the pace types but outside our limits for Grading.

* As for Storm Runner's victory over Mississippi, the race was 'neutral'. The runner-up is certainly talented but despite finishing well, his failure to keep pace with the third quarter move by the winner, along with stamina questions on the dam's side, limit optimism.
