CLOSER LOOK: He's capable of showing up with a performance that is strong enough to make him competitive at this level of competition, and even though he might be a little vulnerable to early pace pressure, he can take this field a long way on the front end after breaking from an advantageous rail post.

Not wild about the fact that he was winless in 2011 without posting a runner-up finish, but his overall turf form has been solid, and note how well he ran over this turf course at this time last year; wouldn't consider him a shocker, but leaning toward others.
